Team Building Bowling Night

The Unitex New Brunswick 10A & 10B plants planned a team building bowling night and had so much fun they extended the event by an hour. Transportation manager, Peter Mlynar, was the MVP of the night, bowling a 216! Living by the Golden Rule

by Jorge Correa—Plant Manager, Newburgh

On August 29th, I was running the soil department when one of our employees found an iPhone X in the soiled linen from Mt. Sinai Hospital. Our normal procedure would be to place it in a manila envelope and return it to the facility, but as I was walking to the office I noticed an urgent plea via text pop up on the phone. I held the message with my thumb and it dialed the number that the text came from. I explained who I was and why I was calling to the woman who answered. She was overjoyed and so grateful that the phone had been found and told me it belonged to her mother-in-law who was hospitalized at Mt. Sinai. I gave her my cell number and told her I would send the cellphone over in the morning to the hospital's security desk. Additionally she texted me the owner's name and room number so I could label the envelope containing the phone accurately. She was so happy that there are honest people in the world and wanted to know how I could be repaid. I explained it was simply part of my job to provide excellent service to our customers and that I live by the Golden Rule ***“Do unto others as you would have them do unto you.”***

Newburgh Holds End of Summer BBQ

On September 6th, the Newburgh plant held its annual end of summer BBQ to thank the production staff for their hard work. As in past years, this event was a big success. **Ramon**, with the assistance of some special guest chefs, cooked up his famous BBQ recipe. All employees loved the music and as always, the food was delicious. Below are some pictures of the festivities. *Submitted by Nelson Ramos*
