Plant Safety Measures Ramped Up for COVID-19

Unitex is taking the health and safety of our staff very seriously during the outbreak of the COVID-19 virus and have implemented rigorous new measures in all of our plants.

- Plant managers have installed informative posters throughout the plants and shared the Unitex Guidelines and Protocol with associates and customers.
- All janitorial supply dispensers have been filled with hard surface disinfectant that is designed to destroy coronaviruses.
- All porters have been trained in stricter cleaning procedures to improve the disinfection of the plant adding doorknobs and other high contact areas previously not included.
- All employees are required to hand sanitize after scanning in with the Hand Scan Time Clock at shift start and end. ■

Medidas de seguridad de planta aumentadas para COVID-19

Unitex se toma muy en serio la salud y la seguridad de nuestro personal durante el brote del virus COVID-19 y ha implementado nuevas y rigurosas medidas en todas nuestras plantas.

- Los gerentes de planta han instalado carteles informativos en todas las plantas y han compartido las Directrices y el Protocolo de Unitex con asociados y clientes.
- Todos los dispensadores de suministros de limpieza se han llenado con desinfectante para superficies duras diseñado para destruir los coronavirus.
- Todos los porteros han sido capacitados en procedimientos de limpieza más estrictos para mejorar la desinfección de la planta agregando pomos de las puertas y otros áreas de contacto previamente no incluidas.
- Todos los empleados deben desinfectar a mano después de escanear con el Reloj de tiempo de escaneo manual al inicio y al final del turno. ■

Recientemente, Unitex tuvo dos celebraciones muy emocionantes para los estudiantes de dos clases de ESL en 10B. El lunes 2 de marzo, la clase inaugural de ESL se graduó al tercer nivel en inglés, y el martes 3 de marzo, el segundo grupo que ingresó a las clases de ESL se graduó al segundo nivel en inglés. Hubo muchos momentos emocionales cuando los estudiantes expresaron su gratitud por la oportunidad que se les ha dado para aprender y tener más confianza en sus habilidades de habla inglesa. Felicitaciones a todos nuestros empleados que se han comprometido a promover su educación. ¡Te aplaudimos! ■
