Ronald McDonald House Donor Spotlight Features Unitex

From Ronald McDonald House Charities of Connecticut & Western Massachusetts (RMHC CTMA) Summer Newsletter: There is no question that community support is very important to the Potacks. Unitex was one of the first local companies to provide leadership funding for the Ronald McDonald House of Connecticut's recent Capital Campaign. Later, they continued their support of the new house and gave a generous contribution to establish the **Unitex/Potack Family Furniture, Fixtures and Equipment Replacement Fund**, providing the support necessary to make repairs, replacements, and upgrades to appliances. Over the years, Unitex has also supported the Annual Golf Tournament and provided new linens for guest rooms.

Now, Unitex has extended their efforts to support the Chapter through the **Unitex Matching Gift Challenge**. For the second year in a row, Unitex will double the impact of donations to Ronald McDonald House Charities of Connecticut & Western Massachusetts (RMHC CTMA) dollar-for-dollar. All contributions made to RMHC CTMA through August 31, 2020 are eligible for the matching program, up to the \$10,000 goal. ■
