Our Brand Promise & Mission

Reliable 24/7/365

Every morning as the sun rises, Unitex is behind the scenes cleaning, preparing, and delivering the linen that helps healthcare professionals provide the best care to their patients: fresh sheets, warm blankets, comfortable gowns, clean towels, scrubs, and pressed uniforms. We do it proudly because we know our customers are a vital resource to the community and frontline workers. They stand ready to receive those who need care and therefore so do we.

For more than 95 years, our family-run business has been leading the way in the medical uniform and linen rental industry. Our unflagging attention to detail results in a better experience for our customers and their patients. Now in our 4th generation, we continue to innovate and automate to provide the kind of products and service that has become the unrivaled standard. We don't make idle promises; we don't cut corners; we always strive to exceed expectations so that when it comes to laundry, linen, and uniforms, Unitex gives you a competitive advantage. It's what our family has done since 1922. It's what we plan to keep on doing!

We Care about You and Your Patients.

The background image shows four medical professionals—three men and one woman—walking in a bright, modern hospital hallway. They are all wearing light blue medical scrubs and have ID badges around their necks. The man in the foreground is holding a tablet. The hallway has large windows on the right side, letting in natural light, and a polished wooden floor.

SCRUBS & WARM-UP JACKETS

Medical scrubs should look professional and clean at all times while remaining functional and durable. Don't cut corners on your medical uniforms. Get the high-quality scrubs you need from Unitex today.

Our scrubs selection includes:

(2755)

7730

Microfiber Loop Mop

- Split microfiber attracts more dirt than traditional mops
- Provides unmatched cleaning performance; floors dry faster; non-streaking
- Reduces bacteria by approximately 95% compared to traditional mops
- Uses substantially less cleaning agent than traditional mops

7074

Microfiber Cleaning Cloths

- Multipurpose cloths for wet or dry cleaning of all above-the-floor surfaces to boost productivity
- Ideal for patient contact areas like countertops and bedside tables for convenience
- 100% split microfiber for extra durability

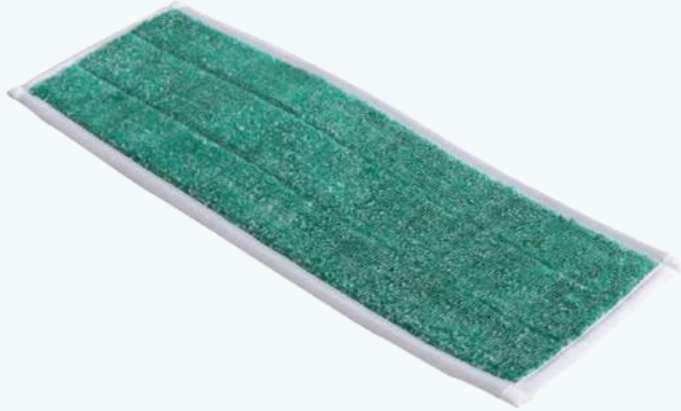

7066

Traditional Wet Mop

- For daily wet or damp cleaning of floors and walls
- Double layer of 100% split microfiber with a foamfill for increased absorption and longevity
- 18"

7070

Microfiber Dust Mops

- Microfiber dust mop attracts dust and dirt like a magnet.
- Densely woven microfiber is made of positively charged fibers that attract and trap negatively charged dirt particles.
- The result is floors that are noticeably cleaner and virtually bacteria-free.
- Constructed of two different fibers, half of which are 80% polyester / 20% polyamide and half of which are 100% polyester for long-lasting, dependable cleaning power.

Entrance & Comfort Mats

Unitex's full line of floor mats help protect your business by improving employee safety and comfort.

CUBICLE CURTAINS

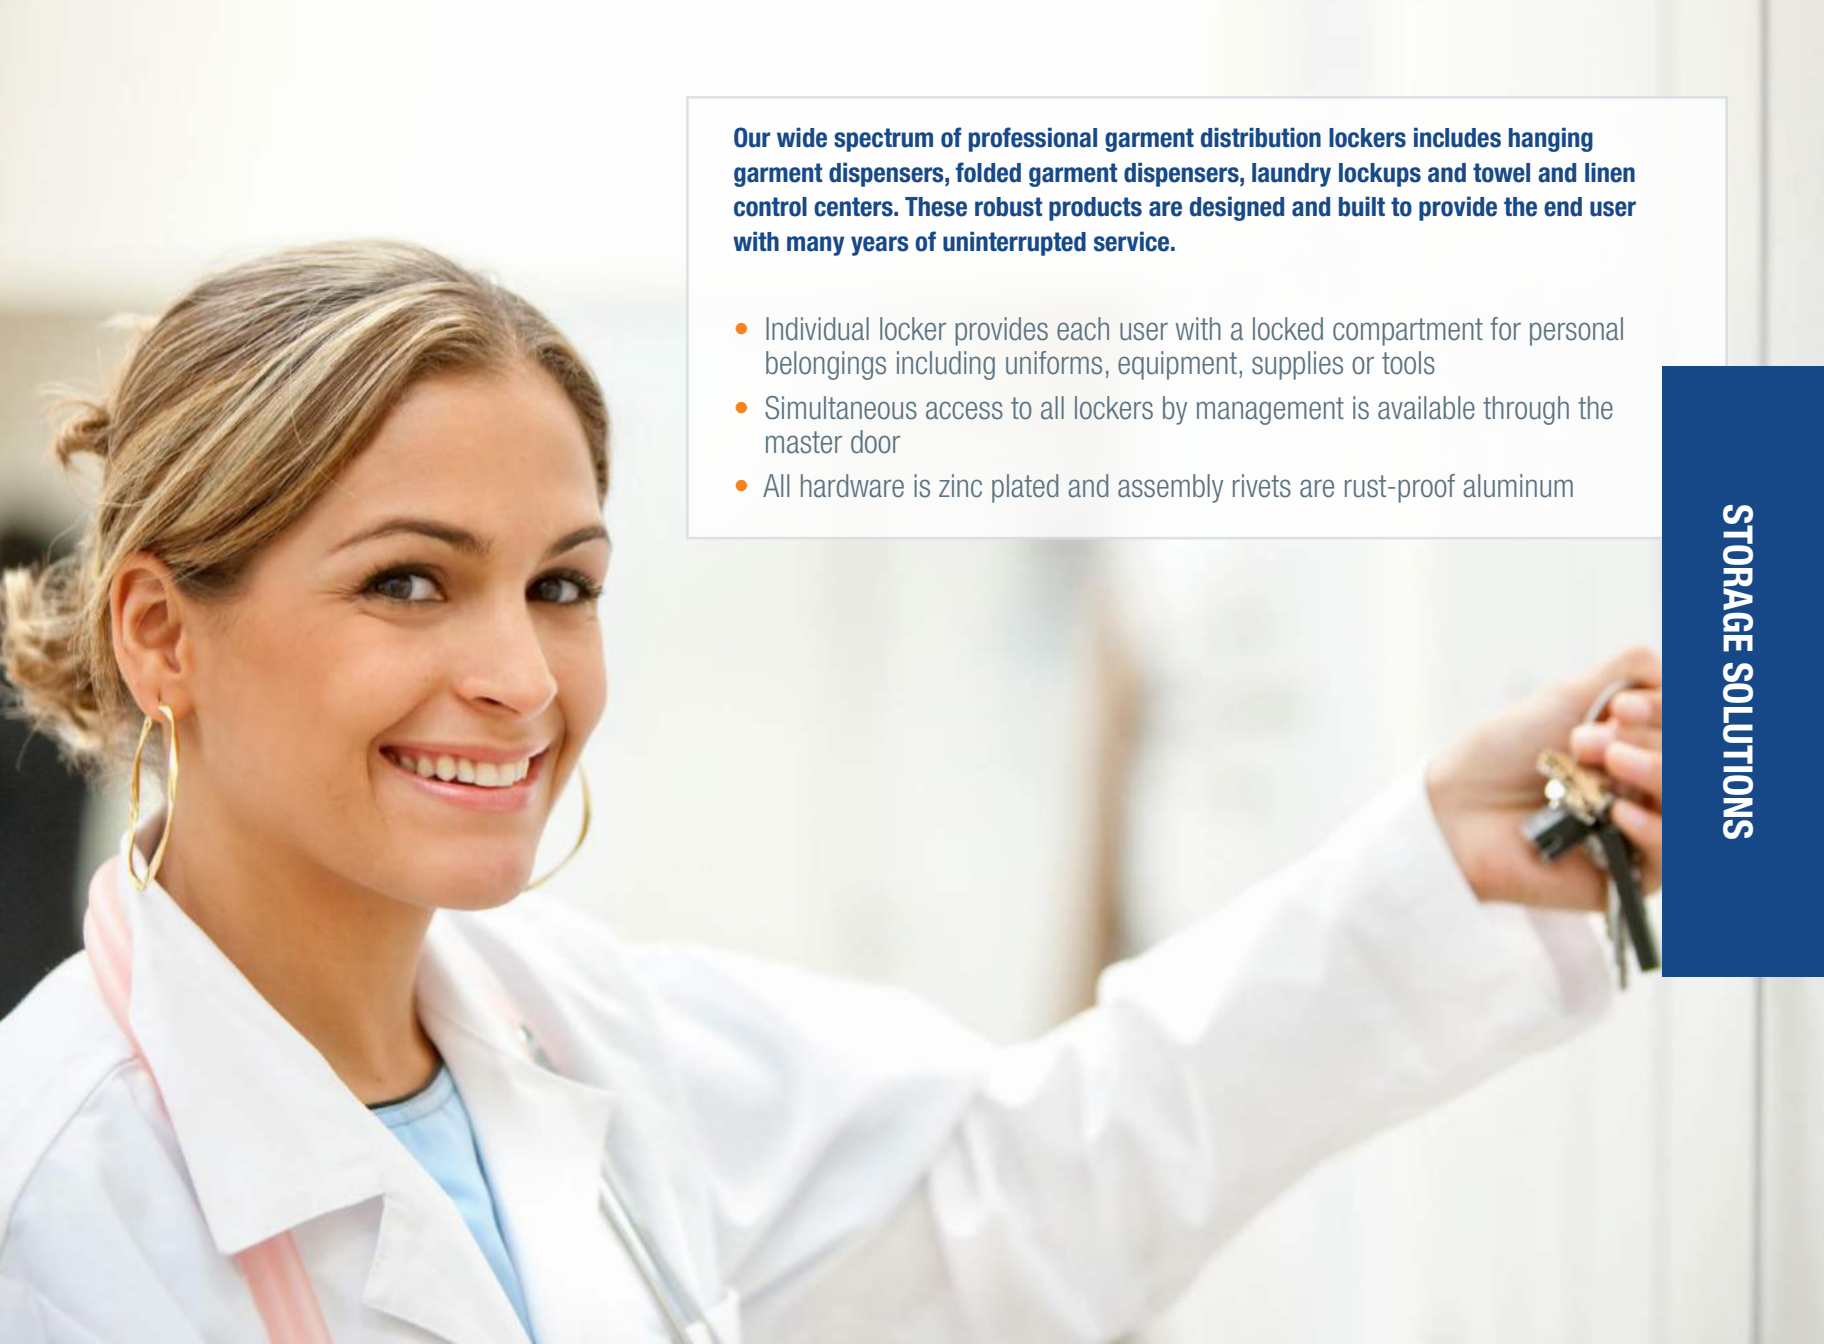

Unitex's Cubicle (Patient Room) Curtain Management Program

Unitex's Cubicle (Patient Room) Curtain Management Program provides a safe, effective laundering strategy that reduces your risk of Healthcare-Associated Infections (HAIs) and cross-contamination.

WE ENHANCE YOUR INFECTION CONTROL PROCESS BY:

- Providing a weekly or multi-week cleaning service of a facility's cubicle curtains.
- Curtains are cleaned using BBP process and SOPs to improve patient satisfaction and HCAHPS scores.
- Providing tracking and reporting of cleaning history with our bar-coding system helping with the overall management of curtains, including loss, organization and regular change out process.
- Keeping you compliant with Joint Commission standards by establishing a laundering schedule for all isolation and non-isolation rooms.
- Management and terminal cleaning of cubicle curtains that exceed infection prevention standards
- All new curtains with no upfront costs in our rental program
- A fully-managed laundry service of curtains and standard-sized panels for inventory management ease
- Improved safety for patients and staff with specially-designed curtains easily changed in seconds without a ladder or special tools

A study from The American Journal of Infection Control found that 92% of cubicle curtains were contaminated with VRE, MRSA, C. difficile and/or other common Healthcare-Associated Infection (HAI) bacteria.

Our wide spectrum of professional garment distribution lockers includes hanging garment dispensers, folded garment dispensers, laundry lockups and towel and linen control centers. These robust products are designed and built to provide the end user with many years of uninterrupted service.

- Individual locker provides each user with a locked compartment for personal belongings including uniforms, equipment, supplies or tools
- Simultaneous access to all lockers by management is available through the master door
- All hardware is zinc plated and assembly rivets are rust-proof aluminum

Soil Dump Locker

- Choose from three sizes: mini, standard and maxi Laundry Lockups
- Holds between 35 and 140 plus pounds of soiled products

Hanging 8 Unit Locker

All Hanging Garment Lockers can be personalized with your company's logo. Ask your sales representative for more details.

10 Folding Locker

Penco offers three unique configurations to meet your specific needs, including 9 compartment, 10 compartment and 16 compartment configurations

Consider Our Managed Scrub Program

Unitex offers a fully managed scrub dispensing program called ScrubEx. Customers can save up to 90% on scrub replacements and 40% on scrub processing costs because unauthorized users are locked out of the automated system, increasing efficiencies and lessening frustration for surgeons, nurses, and staff.

To get scrubs from the machine, staff is allotted credits that allows them to get their scrubs by scanning the hospital ID they wear everyday. In just a few seconds the machine finds their size, dispenses it, and deducts 1 credit from their personal account.

To return the soiled scrubs they simply scan their ID again, choose Deposit, open the door and drop them in. The machine adds one back to their available scrub credit.

To find out more contact your service rep today.

Spun Poly Long Cook Shirt

This kitchen classic Cook Shirt is simple and stylish, crafted with an easy-to-wear fabric. This shirt meets the rigors of any kitchen, it features six durable gripper snap buttons on the front along with a chest pocket.

Spun Poly Long Cook Shirt

Covered front to back. Our six-gripper front and 30 ½" back length (in size medium) work a double shift to keep you clean. A pocketless design makes sure food stays in the kitchen and a squared bottom can be tucked in or worn out. Choose from 100% spun polyester or a poly/cotton blend.
