RE: RAY SMITH, DRIVER

I would like to take this opportunity to comment on one of your drivers, **Ray Smith**. Mr. Smith arrives to our facility promptly and jumps right into his assignment. He is always so focused on getting the job done in a timely manner and making sure nothing is missed. If a bin ticket fell off during transport, Ray is right on it to ensure our counts and weights are accurate. I can tell you he has been solely responsible for preventing reconciliation issues many times. He absolutely is one of your best drivers and I wanted to express my feelings about his performance in writing.

Thank you,
Paul Ryan, Linen Services/Recycling Department, Stony Brook Medicine

Farewell & Good Luck in Retirement Max!

It is with great sadness that we bid farewell to **Max Dennie** who has recently retired as a mechanic at the 155 Mount Vernon plant. Max has been employed at Unitex for the past 15 years and has been an extremely reliable and dedicated employee. Max typically arrived at 5am each morning to set up the plant in preparation for 75 production employees commencing work at 7am. Max also worked many Saturdays during the course of the year to ensure the equipment in the facility was maintained and running efficiently. Max will surely be missed and welcome at any time for a visit. We wish Max and his family the very best in his retirement. Employee Appreciation Day BBQ Celebrations

Celebraciones de barbacoa de agradecimiento a los empleados

155 MOUNT VERNON & NEW BRUNSWICK 10B

Recientemente, las 155 plantas de Mount Vernon, NY y New Brunswick, NJ 10B celebraron sus respectivos Días Anuales de Agradecimiento a los Empleados con una barbacoa. Ambas plantas tuvieron la suerte de tener un clima soleado, cielos azules, buena comida y camaradería. El equipo de administración de ambas plantas trabajó para preparar, cocinar y servir a aquellos que trabajan tan duro para atender a los clientes de Unitex. En nombre de la gerencia de Potack y 155 y 10B, queremos reconocer y agradecer a todos nuestros empleados por sus contribuciones diarias y esfuerzos continuos que nos permiten servir a todos nuestros clientes. RE: RAY SMITH, DRIVER

Me gustaria aprovechar esta oportunidad para comentar sobre uno de sus conductores, **Ray Smith**. El Sr. Smith llega a nuestras instalaciones con prontitud y se incorpora directamente a su asignación. Siempre está muy concentrado en hacer el trabajo de manera oportuna y asegurarse de que no se pierda nada. Si un boleto de contenedor se cayó durante el transporte, Ray tiene razón para asegurarse de que nuestros conteos y pesos sean precisos. Puedo decirles que él ha sido el único responsable de prevenir problemas de reconciliación muchas veces. ¡Es absolutamente uno de tus mejores conductores!

Despedida y buena suerte ¡Jubilación Max!

Con gran tristeza nos despedimos de **Max Dennie**, quien recientemente se jubiló como mecánico en la planta 155 de Mount Vernon. Durante 15 años, Max ha sido un empleado extremadamente confiable y dedicado que, por lo general, llegaba a las 5 de la mañana cada mañana para instalar la planta y preparar para que 75 empleados de producción comenzaran a trabajar a las 7 de la mañana. Max trabajó muchos sábados para asegurarse de que el equipo de la instalación se mantuviera y funcionara de manera eficiente. Max seguramente será extrañado y bienvenido en cualquier momento para una visita. Le deseamos a Max y su familia lo mejor en su jubilación. **L-R: Max Dennie, Michael Potack, Len Zaccagnino, and Rob Potack.** —Submitted by **Len Zaccagnino**, General Manager, 155 Mount Vernon
