120 Days without Incident
LAWRENCE A

Safety Celebration at Lawrence 155A!

On Friday, July 18th, Lawrence 155A marked a major milestone—120 days without an incident—with a summer celebration worthy of the achievement. The team kicked off the weekend Hawaiian-style, complete with leis, lively music, and plenty of laughter. The menu blended backyard favorites like hot dogs and hamburgers with tropical flair—chicken teriyaki, fried rice, pineapple coleslaw, and refreshing mango punch. While the food and fun were a hit, the real highlight was recognizing the team's commitment to safety. With their sights set on surpassing their previous record of 460 incident-free days, Lawrence 155A is determined to keep the momentum going. ■

4th of July, birthdays, & special guest!

Lawrence's 155A Celebrates July 4th with Special Guest Appearance!

To wrap up the week and kick off the Fourth of July weekend, Lawrence 155A hosted a lively celebration—complete with a surprise visitor. Former General Manager **Tony Bastos**, now overseeing two plants in Connecticut, returned to join the team for a festive luncheon. But the biggest surprise of the day was for Tony himself—employees broke into song to wish him a very happy birthday. While everyone at 155A misses having Tony around on a daily basis, they were thrilled to share in the celebration and make his visit extra special. ■

¡Celebración de Seguridad en Lawrence 155A!

El viernes 18 de julio, Lawrence 155A marcó un hito importante: 120 días sin incidentes, con una celebración veraniega a la altura. El equipo inició el fin de semana al estilo hawaiano, con leis, música animada y muchas risas. El menú combinó platos típicos de la casa, como hot dogs y hamburguesas, con un toque tropical: pollo teriyaki, arroz frito, ensalada de col con piña y un refrescante ponche de mango. Si bien la comida y la diversión fueron todo un éxito, lo más destacado fue reconocer el compromiso del equipo con la seguridad. Con la mira puesta en superar su récord anterior de 460 días sin incidentes, Lawrence 155A está decidido a mantener el impulso. ■

4th of July, birthdays, & special guest!

La 155A de Lawrence celebra el 4 de julio con la participación de un invitado especial!

Para cerrar la semana y dar inicio al fin de semana del 4 de julio, la 155A de Lawrence organizó una animada celebración, que incluyó una visita sorpresa. El exgerente general **Tony Bastos**, quien ahora supervisa dos plantas en Connecticut, regresó para unirse al equipo en un almuerzo festivo. Pero la mayor sorpresa del día fue para el propio Tony: los empleados cantaron para desearle un muy feliz cumpleaños. Si bien todos en la 155A extrañamos a Tony a diario, estaban encantados de compartir la celebración y hacer que su visita fuera aún más especial. ■
